TRAILER PARTS PRO™

TRAILER PARTS & ACCESSORIES

TRAILER PARTS PRO BREAKAWAY KITS

FEATURES AND BENEFITS:

- Engages the electric trailer brakes if disconnection occurs while towing, bringing the trailer to a safe stop
- For use on single & tandem axle trailers
- Meets D.O.T. specifications for trailer breakaway/holding requirements
- Standard 12V 5amp battery included in kits
- Heavy-duty polymer case protects the battery and charger
- The battery is rechargeable and must be maintained
- Note: Make sure battery is fully charged prior to towing
- 1- year standard TPP warranty
