DEXTER BRAKES STORE KIT

Dexter brakes are proudly manufactured in the USA, giving you the confidence that when the rubber meets the road, you know your brakes have your back.

All brakes in this store kit are Dexter's premium Nev-R-Adjust® brakes carrying Dexter's 5-year warranty. Nev-R-Adjust brakes are Dexter's exclusive brand of forward self-adjusting brakes, meaning you never have to crawl under your trailer to keep your brakes properly adjusted.

Your brakes will always be adjusted in the optimal range, and your towing experience will be safer and more worry free since stopping distances have been proven to be up to 50% shorter than improperly adjusted brakes.

Buy with the confidence that Dexter is there for you.
