

DDG Canada — Freight Policy

Introduction —

We are pleased to present our transportation service offer, tailored to meet our customers logistics needs.

As distributor we provide reliable and efficient transport solutions across various sectors, ensuring timely delivery and cost-effective operations to better service our customers

Services offered —

- Freight transportation (LTL and Parcel)
- Express and scheduled delivery services
- Distribution to all Dexter branches
- Real-time tracking and customer support

Rates and pricing —

Please note that the transportation rates provided represent an average based on current market data and internal benchmarks. These rates are intended for reference purposes only and may vary depending on shipment specifics, route conditions, fuel costs, and contractual terms.

- Any applicable shipping, handling, or tire recycling fees will be assessed at the time of billing.
- Orders destined to the Northwest territories, Yukon, New Foundland and certain other remote Destinations are sent at the customer's expense.
- Orders are sent prepaid, subsequently the customer is invoiced for the actual cost of the consignment using our preferential freight rates.
- Other specific products such as overweight, oversize and/or unpackaged items are subject to additional freight charges
- An expedited delivery from Supplier is subject to additional freight charges.
- Freight Charges are subject to change at any time according to the fluctuation of Fuel prices.
- Delivery is subject to Local cut off times for next day deliveries.
